March 2007 LoAR Cover Letter:

"We therefore confirm and expand our current definition: A field division engrailed has the points to the "honorable" part of the shield: Per fess, per chevron, per bend and per bend sinister engrailed have the points to chief, while Per pale engrailed now has the points to dexter. A field division invested has the points to the less honorable part of the shield: Per fess, per chevron, per bend and per bend sinister invested have the points to base, and Per pale invested has the points to sinister."
